

MyDistrict Virtual School is the name of the online learning option for K-12 students provided by the North East Florida Educational Consortium. K-5 students must meet state eligibility requirements and must be full time virtual students. Students in grades 6-12 may be full or part time, home education students, or private school students. For parent or student information about this virtual instruction program, visit [www.mydistrictvirtualschool.org](http://www.mydistrictvirtualschool.org)
