

DCHS Scores HIGHEST in State on FCAT Retakes for 11th Grade!

Florida's Department of Education's recent release of FCAT Retakes reveal that Dixie County High School 11th grade students scored highest in the state for Mathematics. 73% of 11th grade DCCHS students passed the FCAT Math Retake exam, greatly surpassing the state average of 29% of 11th grade students taking the same exam. In fact, all 11th and 12th grade results for Dixie County High School exceeded the state average. Superintendent Rains is extremely proud of these accomplishments and would like to thank all students, parents, teachers and administrators for their hard work this school year.
