

February 2, 2012

On February 1, 2012, a contracted employee of All Clean, Inc. of Gainesville was arrested by the Dixie County Sheriff's Department for video voyeurism. All Clean, Inc. is a contracted custodial service in our school district. Effective immediately, Dixie District Schools has terminated the contract with All Clean, Inc. Additionally, a trespass warning has been issued to the accused individual by the Dixie County Sheriff's Department restricting him from all Dixie County School campuses and properties.

As of now, the video seized from Ruth Rains Middle School showed no identifiable students. I am dedicated to keeping all affected parents informed should further information become available by the Dixie County Sheriff's Department.
